**Speaker 1** 00:00

What's your name?

**Eva** 00:01

Eva,

**Speaker 1** 00:02

And Eva, what did you say your favourite song is that you're doing at the moment,

**Eva** 00:06

The ballroom and the country song.

**Speaker 1** 00:08

And explain. Why are they your favourites?

**Eva** 00:10

Because the country one makes everyone want to dance, and the ballroom makes more like a fantasy

**Speaker 1** 00:17

Nice and what have you so we've been doing this for seven weeks now.

**Eva** 00:20

Yeah,

**Speaker 1** 00:20

what have you enjoyed the most?

**Eva** 00:22

I enjoyed about making more music with with the rest of the gang, and playing like new chords every week.

**Speaker 1** 00:28

And why is that?

**Eva** 00:29

Because it makes it teaches me new, new like, course. So then for future music, then I know what I'm doing for future

**Speaker 1** 00:36

And you kind of went on to this. But what have you learned? What skills have you learned? What have you been learning the last few weeks?

**Eva** 00:44

Learning how to make the course more better and make and then and teach the new scales every week

**Speaker 1** 00:55

Lovely. And if you were going to explain this to a friend at school,

**Eva** 00:59

Yeah,

**Speaker 1** 00:59

what would you say in one sentence?

**Eva** 01:02

All I'd say, that I've been making new music out when you after the orchestra, I'm doing and they were like, what kind of music are you doing? And what I'm doing like different kinds of genres and different types of music.

**Speaker 1** 01:16

And what word would you give it? If you could give it a word,

**Eva** 01:20

Magical.

**Speaker 1** 01:21

Magical, lovely!
