Speaker 1 00:00

Er, What's your name,

Simon 00:01

Simon

Speaker 1 00:02

And Simon, what's your favourite song that you've been playing in the music room?

Simon 00:08

Country music, and all that we've been doing, making our own songs and that, trying to make big change of our lives. Yeah, that's pretty much it.

Speaker 1 00:29

And you said the country song. Why did you say the country song?

Simon 00:32

I didn't have a name for it.

Speaker 1 00:36

Did you say that's your favourite to play though?

Simon 00:38

Yeah?

Speaker 1 00:38

Why?

Simon 00:41

Just love country.

Speaker 1 00:42

You love country. That's great. So if we've been here for seven weeks now, what's the highlight? What have you enjoyed the most?

Simon 00:55

What exactly?

Speaker 1 00:57

Like? Have you enjoyed playing with other people? Have you enjoyed bringing ideas forward? Have you enjoyed doing solos?

Simon 01:07

That's even enjoyed a lot of people, because I really haven't seen them for a while now, so it was actually a good opportunity to hang out with them and play with them for good time. So I'm still working on the solo thing though.

Simon 01:27

And how are you finding that?

Simon 01:29

So I don't really know about that.

Simon 01:29

50/50

Speaker 1 01:30

Nice.

Speaker 1 01:31

And is there anything new that you've learned? Just.
